

Springfield Armoury (US Military Govt Arsenal) 1898 krag Bolt Action .30 Rifles

£ 799

Description

Krag Jorgenson by Springfield armoury, model of 1898 in 30/40 cal, carbine version, Americas first small bore centre fire rifle, unique side loading magazine, very fine adjustable rear sight, with a silky smooth bolt, barrel length of 22", bore has seen better days but would make a fine addition to a collection or as a reenactment tool. Commission sale.
